The College of New Jersey, B.S., International Business, 2002

Eimi specializes in the area of Estate Planning and Estate Administration. Eimi's estate planning practice includes planning for both simple and complex estates. Her services include drafting basic and tax planning Wills, Durable Powers of Attorney and Advance Medical Directives, as well as preparing trust documents necessary to preserve family wealth and minimize tax consequences. Eimi also assists clients with gifting and transfers of family assets and closely-held businesses.

Eimi's estate administration practice includes all aspects of probate matters, including intestacy proceedings, probate of Wills, marshaling estate assets and providing an inventory, preparation and filing of Federal and New Jersey and New York estate tax returns, preparation of formal and informal estate accountings, and the final distribution of estate assets to the beneficiaries and heirs of the estate. Eimi also assists clients with post mortem estate planning opportunities.

Eimi also represents clients in matters regarding Trust administration and Trust termination by way of informal agreement or formal court applications, including filing of accountings, as well as modification and revocation of Trusts by way of information agreement or by court application.
