Education

Maurice A. Deane School of Law at Hofstra
University, J.D., *magna cum laude*

University of Pennsylvania, B.A.

Thomas is a member of Archer's Environmental Law Group. He assists clients on a wide range of environmental matters, including regulatory counseling in areas such as hazardous waste, air pollution control, water pollution control, and toxic substances. Thomas handles transactional work, including environmental due diligence and drafting transaction documents. In addition, Thomas assists with complex environmental matters, such as issues related to corporate successorship and liability, cleanup and response costs, soil and groundwater contamination, diminution in value to property, and Natural Resource Damages.

Thomas received his J.D. from Maurice A. Deane School of Law at Hofstra University. During law school, Thomas was an associate editor on the *Hofstra Law Review*, as well as a teaching assistant for a First Year Legal Analysis, Writing, & Research course.
