Archer partner, **Debra S. Rosen**, was selected as the recipient of the Camden County Distinguished Citizen Award by the Garden State Council, Scouting America (formerly Boy Scouts of America). This prestigious award recognizes an individual who embodies Scouting's values of leadership, determination, and community service, and honors those who have made significant contributions to the growth and vitality of Southern New Jersey.

Debra's recognition as the recipient of this year's award is a testament to her unwavering commitment to these ideals. Receiving the Distinguished Citizen Award is an acknowledgment of not only Debra's past achievements, but also of her ongoing commitment to making a positive difference.

Debra serves on the Board of the Garden State Council and is the Immediate Past President of the Board. She was recently named a "2024 Policy Maker" by the Executive Women of New Jersey, honoring those contributions of high-achieving New Jersey women leaders from the private and public sectors. Debra also serves on the Board of Directors of the Alice Paul Institute, and is a former Board member of the Philadelphia Diversity Law Group. Debra is a former Co-Chair and a member of the New Jersey Society of Women Environmental Professionals, where she worked within the group to promote diversity and increase the prominence of women in the environmental and energy legal, business and technical community.

In her practice, Debra concentrates in the area of complex environmental and toxic tort litigation and environmental due diligence and compliance, with an emphasis upon the defense of groundwater contamination cases involving claims for both property damage and serious personal injury. A member of Archer's Board of Directors, Debra has had a distinguished over 30-year career at Archer and has played an integral role providing critical support for many of the firm's initiatives.

Debra broke a glass ceiling within the firm when in 1994 she was made the first woman shareholder. Debra has broken ground at Archer in other ways as well. She was the first woman chairperson of the firm's Hiring Committee. Additionally, she was the first woman chairperson of the firm's Personnel Committee, and still serves as co-chair, and is a member of the firm's Diversity Committee. Debra is also the founder of Archer's Women Lawyer's Network that has done a great deal to help put the firm's diversity initiative in place.

Debra will receive her award at the Garden State Council's Awards Dinner on November 21 at The Legacy Club at Woodcrest.
