

2025 Chambers USA Recognizes Archer Attorneys and Practices

Press Releases

06.05.2025

The 2025 *Chambers USA Guide* has ranked eight Archer attorneys and two practice groups. **Chambers and Partners** is regarded as one of the world's leading independent legal research companies, offering detailed rankings and insights into leading lawyers and law firms across 200 jurisdictions in more than 70 countries. Click [here](#) to read Chambers complete methodology. No aspect of this advertisement has been approved by the Supreme Court of New Jersey.

Practice Groups

Ranked for 19 years, Archer's **Environmental Law Group** has consistently maintained its Band 1 position in New Jersey. Chambers notes "Archer & Greiner, P.C. has a market-leading practice that is extremely well regarded for its exceptional litigation expertise. It demonstrates marked capabilities in both state enforcement actions and claims brought by private parties. Key areas of expertise include environmental insurance coverage, Superfund, Spill Fund and Industrial Site Recovery Act (ISRA) matters. It frequently acts for clients from the petroleum industry and is noted for its expertise in perfluorinated chemicals matters."

Noted by clients:

- "Archer & Greiner is superior in its willingness to learn about and understand our business as well as its ability to integrate that knowledge into the matter at hand."
- "The team has a strong knowledge base coupled with exceptional research capabilities and reach."
- "The firm has a responsive, nimble team which provides a good depth of support."
- "Each attorney we worked with has proved a level of expertise, professionalism, and value to each situation."

This is the first year Archer's **Public Finance Group** and two of the Group's attorneys have been recognized and done so with a top ranking. Chambers notes "Archer & Greiner, P.C. is a go-to choice for public finance matters in New Jersey and is regularly sought out by municipal issuers for expert bond counsel representation. The team

are experienced in public issuances to fund projects in an array of sectors. It has particular strength acting for local municipalities as well as state authorities.”

Noted by clients:

- “Archer’s ability to handle and explain our options and provide guidance is exceptional. The team are always prompt to respond and provide the highest level of service.”
- “The firm’s bond professionals are always responsive and timely.”
