

Artificial Intelligence for Property Appraisal: Will It Replace the Assessor?

Speaking Engagements & Seminars

11.03.2025

Presented by: David A. Schneider

Join partner **David Schneider** at the 2025 IPT Property Tax Symposium to explore the potential impact of AI on the real estate appraisal process.

David's session "Artificial Intelligence for Property Appraisal: Will It Replace the Assessor?" will cover:

- Analyzing the impact of AI on the mass real estate appraisal process and ad valorem taxation
- Evaluating the advantages and drawbacks AI may have in achieving accurate, fair, and uniform assessments
- Identifying and implementing applicable legal principles and market data analyses property owners, appraisers and tax appeal practitioners will need to understand an evolving appraisal process
