

From Regulation to Opportunity: The Evolving Cannabis Landscape

Speaking Engagements & Seminars

02.20.2026

Presented by: William J. Caruso

Bill Caruso will moderate the Chamber of Commerce Southern New Jersey program "From Regulation to Opportunity: The Evolving Cannabis Landscape." Bill, joined by Harris Laufer, Commissioner of the New Jersey Cannabis Regulatory Commission, will lead a discussion about the future of cannabis in New Jersey amidst changes in government officials, federal actions, and legislation. The program will help industry leaders, operators and investors prepare for the opportunities, challenges, and new directions of New Jersey's cannabis industry.
