

Building Trial Skills: Philadelphia

Speaking Engagements & Seminars

03.17.2026 - 03.21.2026

Presented by: Kerri E. Chewning

Partner **Kerri Chewning** is a faculty member for this program, where you will sharpen your trial abilities in a hands-on, immersive environment. Whether preparing for settlement discussions or gearing up for a trial, this program equips you with the skills to succeed and confidently step into the courtroom and navigate trial challenges with ease.

This program is designed to sharpen your trial skills through hands-on practice, expert feedback, and real-world application. You'll work on persuasive opening statements, effective cross-examinations, and handling difficult witnesses. With faculty experienced in New York, New Jersey, and Pennsylvania trials, you'll gain valuable regional insights while expanding your professional network.

On the final day, you'll put everything into action with a full mock jury trial at Philadelphia's City Hall, receiving juror feedback and professional critique.
