

Business Bankruptcy: Key Chapters, Stays, and Pre-Filing Steps

Speaking Engagements & Seminars

06.10.2026

Kicking off the National Business Institute's Business Bankruptcy Basics comprehensive one-day program, partner [Douglas Leney](#) will present a session covering core bankruptcy chapters, Subchapter V, voluntary and involuntary filings, the automatic stay, and key pre-filing procedures.

NBI's full-day course provides a fundamental understanding of the U.S. business bankruptcy system, focusing primarily on Chapter 11 reorganizations. Navigate the lifecycle of a case, from the initial pre-filing assessment and the immediate impact of the automatic stay, through the critical "First Day" motions, the tools available to both debtors and creditors, and the essentials of the plan confirmation process. Attendees will gain the essential procedural knowledge needed to competently advise clients who are facing - or are owed money by - an insolvent business.
