06.01.2026

Archer is excited to kick off its 2026 **Summer 1L Program**, welcoming nine exceptional law students from five distinguished universities. Each year, the program attracts talented students from across the region, and this year's class brings a broad range of experiences and perspectives to the firm. All members of Archer's 2026 Summer 1L Program have completed their first year of law school.

During the eight-week program, these aspiring attorneys will work alongside seasoned professionals on active matters, gaining hands-on experience across Archer's diverse practice areas. Based in the firm's Voorhees and Hackensack offices, participants will collaborate with attorneys across departments and contribute to internal and client-facing projects.

"We are thrilled to welcome this class of Summer Law Clerks," said **Charlie Dennen**, Co-Chair of Archer's Hiring Committee. "The Summer 1L Program is a great opportunity for law students to work closely with attorneys across our practice areas and gain valuable experience through meaningful, substantive legal assignments. We pride ourselves on giving our Summer Law Clerks a deep understanding of what it is like to be an attorney at Archer and the opportunity to experience the firm's collegial, collaborative environment."

Archer's Summer Law Clerks will benefit from one-on-one mentoring, targeted training, and structured professional development opportunities. They will also have the chance to observe litigation firsthand through court appearances, client meetings, mediations, and depositions. The program is rounded out by a variety of social events and networking activities, giving students the opportunity to build lasting relationships with colleagues in a welcoming and supportive environment.

With a strong focus on mentorship, development, and practical experience, Archer's Summer 1L Program continues to serve as a meaningful stepping stone for future legal careers.
