

From Term Sheet to Topping Out: Financing and Building South Jersey in 2026

Speaking Engagements & Seminars

10.14.2026

Presented by: Michael F. Floyd

Land Use partner **Michael Floyd** will moderate a panel at Bisnow's South Jersey State of the Market program focused on the financing and development challenges shaping South Jersey's real estate market in 2026.

With interest rates, construction costs, and labor constraints continuing to influence what gets built, the panel will examine where deals are moving forward across South Jersey and where they are stalling. The program will bring together owners, developers, investors, lenders, brokers, and advisors active across the Philadelphia and South Jersey region to discuss the market conditions and development decisions shaping the region's real estate landscape.
