Tuesday, January 17, 2006: Condominium And Planned Community Practice In New Jersey

Rob Kugler & Eva Fatenko have been selected to speak at a seminar presented by Lorman Education Services in Mount Laurel, New Jersey. In this interactive seminar, presenters will guide you through the legislation affecting the registration of a condominium and planned community with DCA. They will provide a comprehensive review all the components of the registration process with you - as well as practical drafting tips for the applicable registration documents. They will review the roles of and issues facing the developer, the condominium/community association and the property manager in these communities, during development and following the transition of the communities from developer to homeowner. This one-day seminar is designed for attorneys, presidents and vice presidents, real estate professionals, project and property managers, developers, escrow agents, condominium association members, construction lenders, construction professionals, engineers and paralegals.
