

# Mixed-Use Developments: Opportunities in Today's Real Estate Markets

## Press Releases

11.15.2006

---

On Thursday, November 16, Eva Fatenko, Esquire will speak on mixed-use developments. The seminar will cover how mixed-use developments have become popular, particularly for large-scale urban redevelopments, new sustainable communities and high-rise multi-use buildings - representing opportunities as well as challenges.
