

Fundamentals of Construction Law—Learn the Basics from the Pros

Press Releases

11.01.2006

On November 2, 2006, Bill Ryan will speak at the ABA Forum on the Construction Industry will present “Fundamentals of Construction Law—Learn the Basics from the Pros.” This program presents a unique opportunity for new construction lawyers, or experienced lawyers who occasionally encounter construction law, to learn the essentials from those who practice it daily at its highest levels. This low-cost, conveniently located program provides an excellent way for firms of all sizes to provide an exceptional training opportunity to their lawyers.
