---

On Thursday, June 7, Greg Palakow will present "H-1B, EB-3 or L-1? Get the 411 on HR Immigration Rules" to the New Jersey Technology Council. The program will focus on the difficult role HR plays in handling immigration issues for job candidates, employees and their families. Audits, raids, compliance with US Immigration laws, fines and penalties, as well as the growing trend of prosecutions by employers will be explored. (Even the rumors will be dispelled).

This program is for the employer, recruiter or HR professional having at least some experience with Immigration law and work authorization.
