

Accounting for Estates & Trusts in New Jersey

Press Releases

06.27.2008

Accounting for Estates and Trusts in New Jersey, a seminar presented by Lorman Education Services, will include **Anthony R. La Ratta**, who will discuss "Litigation Aspects of Accountings."

The seminar takes place on June 27, 2008, at the Holiday Inn, Route 70, Cherry Hill, N.J. The seminar is designed for accountants, attorneys, controllers, CFOs, presidents, vice presidents, trust officers, financial and estate planners, insurance professionals, enrolled agents, bankers, executors and consultants who service estates and trusts.

Seminar highlights include post-death administration, preparation of accounting entries in estate and trust transactions, litigation aspects of accounting, and case studies of high-level estate planning.
