

# Interplay Between Family Law and Trust & Estate Practitioners

Press Releases

02.14.2011

---

Archer Partners [Anthony R. La Ratta](#), Michael A. Weinberg and [Christopher S. Young](#) will be featured on a panel for this program presented by the Camden County Bar Association on Feb. 15, 2011.

This program is equally valuable for family lawyers and estate planning lawyers. It explores the increasingly frequent interplay of issues handled by practitioners in these two areas of law, addressing how the estate will fare in later divorce and how the divorce will change the estate plan. Often, settlement of the family law case will impose obligations on the family or the estate plan will hinder settlement.

Topics include:

- Kay v. Kay & Cook v. Cook
- Prenups & Postnups
- Wills after divorce 3B;3-14
- The new statute NJSA 25:1-5h

And much more!

The program provides continuing legal education credits for New Jersey, Pennsylvania and other states.
