

Attorney Fees in Civil Cases: When They Are Available & How to Get Them

Press Releases

02.25.2011

Anthony R. La Ratta, Partner in Archer's Estate & Trust Litigation Practice Group, will be a featured speaker for this seminar, presented by the New Jersey Institute for Continuing Legal Education (NJICLE) on Saturday, Feb 26, 2011.

The seminar takes place from 9 a.m. to 12:30 p.m. at the New Jersey Law Center in New Brunswick.

In New Jersey, attorney's fees may be awarded in the context of a probate action, an employment case, an insurance dispute, in consumer cases and following a frivolous law suit. In order to provide attendees with the latest strategies, NJICLE has gathered Mr. La Ratta and other experts in these areas of law to share their knowledge and experiences in applying for and receiving an award of counsel fees. In addition to their valuable insight, as the award of counsel fees is generally at the discretion of the Court, the program will also offer a segment on Judicial insight into presenting a successful application for counsel fees.

The program provides 4.0 continuing legal education credits in New Jersey, Pennsylvania and New York.
