

Anatomy of a Will Contest: How to Succeed at Trial

Press Releases

04.26.2012

Anthony R. La Ratta of Archer P.C. will present *Anatomy of a Will Contest: How to Succeed at Trial*, a live audio continuing legal education seminar produced by Lorman Education Services, on April 26, 2012.

The program will cover: the common grounds to contest a will; best practices in investigating and gathering evidence; issues in estate administration while the will contest proceeding is pending; and trial tactics and evidence issues. More information and registration is available at <http://www.lorman.com/audio-conference/389252>.
