

2013 Summer Associates Gain Real World Experience

Press Releases

06.05.2013

Archer P.C. kicked off the law firm's Summer Associate Program this month with seven law students. The program allows second- and third-year law students an opportunity to gain valuable experience working with attorneys, staff and clients at one of the region's largest law firms, with more than 175 attorneys in nine offices.

Each summer associate gets paired with a full-time Associate who serves as a mentor, advising the student on research techniques, case preparation and other client matters. The law students also accompany Archer attorneys to observe their participation in proceedings such as real estate closings, mediations, depositions, hearings, trials and client meetings.

Archer's Summer Associate Program also includes social activities to help the law students get to know each other and firm personnel. These include a welcome reception, local sporting events and a wine tasting, as well as attorney lunches and informal after-work gatherings with associates and partners.
