

# 2015 Summer Associates Gain Real World Experience

## Press Releases

05.29.2015

---

Archer P.C. kicked off the law firm's Summer Associate program this month with five law students. The program provides rising second- and third-year law students with valuable, real world experience working with attorneys, staff and clients at one of the region's largest law firms, with more than 175 attorneys in eight offices.

Each Summer Associate gets paired with a full-time Associate who serves as a mentor, advising on research techniques, case preparation and other legal matters. The law students also accompany and observe Archer attorneys at proceedings such as real estate closings, mediations, depositions, hearings, trials and client meetings. Archer's Summer Associate program also includes social activities to help the law students get to know each other and firm personnel. These include a welcome reception, local sporting events and a wine tasting, as well as attorney lunches and informal after-work gatherings with Associates and Partners, including firm leaders.
