Bill Caruso, Partner and Chair of Archer’s **Cannabis Practice Group**, recently discussed the approval of adult use sales in New Jersey in the New York Times article, “Legal Marijuana Sales Expected to Start Within Weeks in New Jersey, published April 11, 2022. The article quote reads, “I really do think this is the beginning of the model for the nation,” said William J. Caruso, a veteran of state government who now runs the cannabis practice at a law firm. “Large players at the start, the beginning of craft cannabis in our state – and then the revenue associated with cannabis sales for restorative justice purposes.” For the full write-up, please visit: <https://www.archerlaw.com/bill-caruso-quoted-in-new-york-times-article-legal-marijuana-sales-expected-to-start-within-weeks-in-new-jersey/>.
