

Bill Caruso Interviewed for MJBIZ Daily Article “New Jersey’s recreational cannabis program has smooth launch despite supply worries”

Press Releases

04.26.2022

Bill Caruso, Partner and Chair of Archer’s Cannabis Practice Group, was interviewed for an MJBIZ Daily news article “New Jersey’s recreational cannabis program has smooth launch despite supply worries” By Jeff Smith on April 26, 2022. In the article, Caruso noted that the first day “went off basically without a hitch, with patient priorities being paramount.” Bill goes on to discuss equity businesses, community participation and final thoughts on the state’s recreational marijuana program.
