The recently published *ROI-NJ* article, "Alfred Sanzari Enterprises inks renewal with Archer & Greiner in Hackensack," discusses the firm's decision to sign a renewal for 22,382 square feet of office space at Court Plaza South in Hackensack. Archer has been a tenant at Court Plaza since 2005.

Chris Gibson, President of Archer, is quoted saying, "we're grateful to be able to build upon the relationships we've maintained at Court Plaza with Alfred Sanzari Enterprises through this latest renewal...knowing that we have a landlord who is as committed to our business' success as we are ensures we have the foundation needed to continue to provide the high level of client service that has become synonymous with the Archer name."
