Speaking Engagements & Seminars

10.29.2013

Location: New Brunswick, NJ

Anthony R. La Ratta, Partner in Archer's Estate and Trust Litigation Group, will speak on October 29, 2013, on Estate Litigation and Ethics in Estate Litigation, as part of a daylong seminar presented by the New Jersey Institute for Continuing Legal Education (NJICLE).

Designed primarily for more experienced practitioners, this annual Forum brings together some of the state's most authoritative trust and estate planning practitioners who will serve as both panelists and audience participants to discuss challenging issues that affect all our practices.

What you learn will help you counsel your clients in areas including estate planning, current trends in probate litigation, and more. You'll also hear a timely discussion of current legislative developments relating to trust and estate law. Some tax issues will be discussed, however the majority of the program will focus on New Jersey trust and estate law issues.

The session is scheduled from 9 a.m. to 4 p.m. at the New Jersey Law Center in New Brunswick, and provides CLE credits for New Jersey, Pennsylvania and New York.
