

Environmental Law Attorneys to Present at CCNJ's 30th Annual Spring Conference

Speaking Engagements & Seminars

04.28.2014

Location: Galloway, NJ

"Toxic Soup": Unregulated Contaminants in Water and Future Litigation Challenges

Speakers: William Stack, Jack McDermott, Daniel Farino, Lindsay Wagner

Date: April 28, 2014

Time: 3:00 – 4:00 PM

Location: Seaview in Galloway, NJ

Credits Requested: 1.2 NJ, 1.0 PA (pending approval)

Description:

Drawing on past experience and active involvement in cases at the forefront of this issue, this panelist of environmental litigators will explore the evolution of the public's awareness of unregulated contaminants in water over the last decade, the current state of knowledge, and the implications and potential liabilities for industry.
