## Tri-State Waterfront Business Summit

### A Vision of the Ports and Development Along the Waterfront

The economic development efforts along the waterfront and the future of the regional ports are changing the way the Delaware Valley does business and positioning our region for continued success. Join us as a panel of leaders discuss the vision of the ports and explore the unique development opportunities that are emerging.

This program will highlight the region's leading economic drivers at the ports and explores how they are creating opportunities for regional development and growth now and in the future.

Panelists include:

#### Waterfront Development Panel

Thomas Corcoran (Delaware River Waterfront Corp.)

Meishka Mitchell (Cooper's Ferry Partnership)

Michael Nesbitt (Sunoco Logistics)

#### Vision of the Ports Panel

Pennsylvania State Rep. John Taylor, *moderator*

Dominic O'Brien (Philadelphia Regional Port Authority)

Paul Breeman (Holt Logistics Corp.)

Eugene Bailey (Port of Wilmington)
