"Advanced Civil Litigation Skills in New Jersey"

When: Tuesday, September 29, 2015 -

Wednesday, September 30, 2015 (9am-4:30pm)

Location: Wyndham Philadelphia-Mount Laurel

Get Comprehensive Strategies to Advance Your Civil Litigation Practice

Do you seek out litigation challenges? Do you have the confidence to own the courtroom and take down your opponent? Avoid complacency and take your practice to the next level with this comprehensive, two-day seminar. You'll learn advanced tools to overcome the most difficult obstacles in civil litigation. Our experienced faculty will share the techniques they've developed over years in civil practice. Whether you're authenticating ESI, explaining complex damages, or prepping for an expert witness examination, you'll come back to the lessons learned in this course again and again. Register today!

- Get two full days of practical instruction so you can master the skills that win cases.
- Get essential trial preparation tips from a Federal Court Judge
- Learn advanced trial techniques from seasoned veterans of civil court.
- Prepare to draft and win discovery motions over your opponent's objection.
- Find out the best ways to collect and authenticate social media and email evidence.
- Manage your client's expectations from the beginning to the end of the case.
- Recognize the amount of case information you can safely introduce during voir dire.

- Make complex case themes crystal clear for the jury, no matter how technical the damages.
- Learn when to put your client on the stand and how to handle the examination.
- Maintain ethical standards when interacting with court staff and outside parties.
