## About the Program

You're the only lawyer in the family or neighborhood and are sound asleep. Suddenly, the phone rings at 3:00 a.m. It's your sister and she's panicking. Her son was just arrested. Or her husband and she had a huge fight and he locked her out of the house. Or your elderly Mom was just found wandering the streets. You don't practice criminal or family law or in chancery court. ***What do you do?***
