

Archer's Andrew Fede and Lawrence Wohl to Present NBI Webinar January 26, 2017

Sign and Billboard Zoning Law

Speaking Engagements & Seminars

01.26.2017

Location: Webinar

Archer's **Andrew T. Fede, Esq.** and **Lawrence C. Wohl, Esq.** will speak at the NBI webinar, "Sign and Billboard Zoning Law" on January 26, 2017.

Program Description

An In-Depth Guide to Sign and Billboard Law

Signs and billboards are powerful tools for advertisers, yet many local governments heavily regulate them in an effort to preserve community appearance. In this concise yet comprehensive overview, our experienced faculty will highlight constitutional and statutory issues that arise from outdoor advertising regulation, and show you how to navigate zoning disputes, permitting issues and more. Confidently handle legal issues concerning signs and billboards - register today!

- Analyze what powers communities have to regulate billboard content, and what constitutional protections advertisers have.
- Gain essential strategies to confidently handle sign and billboard zoning disputes.
- Get the latest information on regulating digital billboards and other emerging outdoor advertising technologies.
