Wills Seminar

Speaking Engagements & Seminars

10.17.2017

Location: Voorhees, NJ

Melissa Dibble presented a seminar concerning the importance of Wills at *The Samaritan Center* at Voorhees on Tuesday, October 17 from 10:00 AM – 11:30 AM.

More than 50% of people don't have a Will. When a New Jersey resident dies without a Will a set of state rules decides who is in charge of your estate, and to whom your assets will pass. In other words, the state of New Jersey has already written a Will for you, and you may not like the results. Don't let that happen to you, your family, and your estate.

Do you have a Will? When was the last time that you reviewed your Will? Does your Will accomplish the goals that are important to you now?

Melissa answered these and many other questions on Tuesday, October 17 from 10:00 AM – 11:30 AM. Melissa is a member of Samaritan's Planned Giving Committee. Melissa, along with two other local attorneys hosted the panel discussion about this important topic at The Samaritan Center at Voorhees.
