

Daniel Farino to Speak at Environmental Litigation Seminar

Speaking Engagements & Seminars

11.02.2017

Location: New Brunswick, NJ

Daniel R. Farino, a Partner in Archer's Haddonfield office, will be speaking at the Environmental Litigation seminar on Thursday, November 2, 2017 at the (Central) New Jersey Law Center in New Brunswick, NJ.

Environmental litigation is a highly specialized of the law. It requires an understanding of geological issues, remediation techniques, manufacturing practices, environmental law, insurance law and investigative and litigation strategies. This full day seminar explores the complexities of environmental litigation and reviews effective strategies for handling environmental claims, including how to identify responsible parties, limit liability, interact with LSRPs and other experts and cover cleanup costs.

What: Environmental Litigation Seminar

When: November 2, 2017

Where: New Brunswick, NJ
