

Environmental Site Assessment

Speaking Engagements & Seminars

03.13.2018

Location: haddonfield

Date: March 13, 2018

Time: 12pm -1pm

Location: Haddonfield, NJ

Speaker(s): Brian FitzPatrick, President of Synergy Environmental; David Robinson, Senior Associate, LSRP

Moderator: **Clint Allen, Esq.**

Description of the program:

This program will describe Environmental Site Assessments with respect to property transfer, lending requirements and environmental investigation and remediation. The focus will be on the necessity to perform EAS's, the requirements of Phase I with respect to ASTM standards and all appropriate inquiry, and the use of ESA's for environmental compliance, particularly as related to New Jersey and the New Jersey Site Remediation Reform Act (SRRA) and Industrial Site Recovery Act (ISRA).

Credits Approved: 1.0 PA (substantive), 1.0 NJ (general)
