

Peter Frattarelli To Moderate NJICLE Seminar “Recent Developments in New Jersey Law: A 2018 Update”

Speaking Engagements & Seminars

07.26.2018

Location: new brunswick

When: Thurs., July 26, 2018 | 9 a.m. to 3 p.m

Where: New Jersey Law Center, NEW BRUNSWICK

Overview: Keeping up to date with recent changes in New Jersey law is critical in order to effectively represent your clients. However, if you handle a broad range of matters, tracking the latest developments can be time consuming and tedious. Register today for this informative annual program to hear some of New Jersey’s leading authorities provide insight into the latest developments this year in their respective fields – including from the latest on cannabis and the opioid crisis; sexual harassment and the #MeToo movement’s impact; the newest developments with employee background checks in PA, NJ and NY; new developments in trust and estate practice; the increased use of high low agreements in litigation; cyber-attack and cyber awareness, and ethical issues for the general practitioner.
