

High Tech Manufacturers Roundtable

Speaking Engagements & Seminars

03.29.2019

Location: Barrington, NJ

When: Friday, March 29, 2019

Where: Edmund Optics, Barrington, NJ

Archer Faculty: Gregory J. Palakow, Esq.

Overview: Plan to attend this highly targeted, substantive discussion of three key issues impacting high technology manufacturers: immigration policy, tariffs and workforce training. Attendees will also have the opportunity to network with colleagues and enjoy a tour of Edmund Optics – a high tech manufacturer with a long history in the region.

This event is invitation only and is limited to high tech manufacturing company representatives.
