Location: Voorhees, NJ

Archer attorneys **Tara Zane**, **Melissa Dibble**, and Sarah Cranston will present a free “Wills and Estate Planning Workshop” hosted by Samaritan’s Planned Giving Committee on Thursday, September 26, 2019 from 9:00 AM - 10:30 AM. The committee includes some of the region’s leading financial advisors who volunteer their time and expertise to raise awareness about the importance of estate planning.

If you’ve bought or sold a home or business, lost or welcomed a new family member, or gotten married or divorced, your will or estate plan is probably out of date. It’s essential to ensure that your wishes are met, and your financial goals achieved. The volunteer panel of tax and estate-planning attorneys will present valuable information in an understandable format, and answer questions.
