On Wednesday, November 6, 2019, Archer attorneys [Melissa Dibble](#) and [Anthony La Ratta](#) will participate in the Camden County Bar Association CLE, "[Evidence Issues for Trust & Estate Litigation](#)" at Tavistock County Club.

For trust and estate lawyers dealing primarily in Chancery practice, it is easy to forget evidentiary elements because so few probate or trust litigation matters get to trial. However, discovery of "best" evidence and evidence rules remain important for settlement purposes and in sustaining evidentiary challenges and winning at trial. This program, presented by two of our e experienced members, will explore these evidence considerations and provide practice tips for the most experienced trial attorney to the most novice T&E lawyer.
