Partners Timothy J. Cunningham and **David A. Weinstein** presented CCSNJ's Webinar, "Navigating the SBA PPP Loan Program Forgiveness Application: What Your Business Needs to Know Now" on Thursday, May 21.

The Small Business Administration (SBA) just issued the Paycheck Protection Program (PPP) loan forgiveness application and related instructions. PPP borrowers will be required to complete this application and submit it to their lender (or the lender servicing the PPP loan) in order to be considered for total or partial loan forgiveness. Understanding the application process, correctly performing the necessary calculations and maintaining required supporting documentation is critical to maximizing loan forgiveness for you and your business.

During this webinar, members of Archer's COVID-19 Taskforce discuss the steps your business needs to take to properly apply for PPP loan forgiveness. This webinar includes an overview of the PPP Loan Forgiveness Application and the SBA guidance provided in the related instructions, completion of a sample PPP Loan Forgiveness Application and an interactive Q&A discussion.
