

# Robert T. Egan and Kate A. Sherlock to Speak at the Chamber of Commerce for Greater Philadelphia Virtual Event, “Defending Your Data Against Cyberthreats”

Speaking Engagements & Seminars

06.03.2020

Location: Webinar

---

On Wednesday, June 3rd, Archer’s **Robert T. Egan** and **Kate A. Sherlock** will speak at the Chamber of Commerce for Greater Philadelphia Virtual Event, “Defending Your Data Against Cyberthreats”. The workshop will focus on what companies should do in response to a cyber attack, how to prevent them, and why it is important to understand the legal implications of cybersecurity.

Bob Egan serves as the Chair of Archer’s Data Privacy and Cybersecurity Group, focusing his practice in that area on cybersecurity counseling and data breach response. Kate Sherlock serves as a member of Archer’s Data Privacy Group and works with clients to perform cybersecurity assessments.

**What:** The Chamber of Commerce for Greater Philadelphia Virtual Event, “Defending Your Data Against Cyberthreats”

**When:** Wednesday, June 3rd, 2020 11:00am-12:00pm

**Where:** Webinar
