

Archer Attorneys Present at NJSBA Environmental Law Forum 2021

Speaking Engagements & Seminars

06.18.2021

Location: webinar

Archer Environmental Law Attorneys [Daniel Farino](#), [Vinita Banthia](#), [David Edelstein](#) and [Matthew Conley](#), all presented at the NJSBA Environmental Law Forum 2021. Every year, over of 100 of New Jersey's most prominent Environmental attorneys gather for the Environmental Law Forum, a three-day in-depth review of the latest developments and practice concerns in environmental law practice.

Dan and Vinita presented a panel entitled, "Ethics and Evidence for Environmental Attorneys." The panel presentation covered spoliation, privilege/work product issues (remediation consultants, production of underlying data), and other practical issues that come up in environmental litigation.

Matt and Dave presented on the panel entitled, "Considerations for Compensating Injuries in NRD Litigation." The presentation covered the evolution of NJDEP's NRD program, recent developments and anticipated hot-button issues. Matt and Dave were joined by Ryan Stifter and Steve Michalanko (Roux Associates) who discussed economic and ecological issues, respectively, relating to NRD.
