Archer Faculty: [Melissa Dibble, Esq.](#)

Overview: When was your Will last reviewed? If, since then, you've bought or sold a home or business, married or divorced, welcomed or lost a family member or heir, received an inheritance, or had a change in the value of your estate, your Will may no longer reflect your wishes, or require settlement in court. Learn the importance of your Will, explore estate planning options, and get your questions answered.

For more information and to register, [click here](#). (Workshop is free, but registration (and an email address) is required.)
