

James Boyd to be Panelist at Philadelphia Chamber's "Green Growth: The Economic Potential in Clean Energy"

Speaking Engagements & Seminars

06.07.2022

Location: Philadelphia

Where: Independence Visitor Center, 525 Market Street, Philadelphia, PA 19106

When: Tuesday, June 7th

Time: 3:00 pm - 6:00 pm

Overview: Discover the positive economic impact of public and private clean energy investments in the region followed by an hour-long cocktail reception with business leaders and members of the Chamber's Greater Philadelphia Energy Action Team. In addition to the significant private capital investments in clean energy each year, the passage of the Infrastructure Investment and Jobs Act provides tens of billions to accelerate the nation's energy conversion that is currently underway. These investments in grid resiliency, clean transportation, and decarbonization technology development have the potential to unlock job growth, energy breakthroughs, and economic opportunities for the area.
