

Robert Egan to Serve as Speaker for “Protecting Customer Data: Responsibilities and Liabilities”

Speaking Engagements & Seminars

02.15.2023

Location: WEBINAR

Topic: NJCC Virtual Small Business Series - Protecting Customer Data: Responsibilities and Liabilities – What You Need to Know in 2023

When: February 15, 2023 | 9:00 a.m. – 10:00 a.m. EDT

Where: This is a webinar. It is free to participate.

Archer Faculty: [Robert T. Egan](#).

Course Overview: To do business in this information age, companies must collect sensitive data from customers and clients. Unfortunately, hackers are relentlessly attacking systems in an attempt to obtain that information. This webinar, featuring legal and technology experts, will focus on what business owners and employees need to know when it comes to protecting data and the liabilities of data breaches. The discussion will also include the types of insurance you should have and the technology needed to avoid cyber breaches.
