

UDRP: Still a Powerful and Efficient Tool for Combatting Anonymous Cybersquatters

Articles

03.21.2023

Archer partner, Kate Sherlock, has won numerous UDRP actions on behalf of her clients. In her recent article, "UDRP: Still a Powerful and Efficient Tool for Combatting Anonymous Cybersquatters," published by the *Legal Intelligencer*, Kate discusses the UDRP process and why it continues to serve as a powerful and efficient tool for IP owners to stop cybersquatters and protect their business's goodwill.
