5. Archer Content

You acknowledge and agree that the Site contains certain information, such as articles, text, graphics, images, videos, links, and other materials (collectively, "Archer Content") that is protected by copyrights, trademarks, service marks, patents, trade secrets, or other proprietary rights and laws. You agree that as between you and Archer, Archer is the owner of Archer Content. These are public forums and any information that you post on the Site may be seen by anyone on the Internet. You agree not to post any defamatory, abusive, profane, threatening, offensive, or illegal materials or information. You also agree not to post statements or materials that constitute junk mail, spam or unauthorized advertising, such as links to commercial products or services or any political campaigning. You also agree not to post any information or material protected by copyright, trademark or other proprietary right without the permission of the copyright, trademark, or proprietary right owner. Users shall be solely liable for any damage resulting from infringements of copyrights, trademarks, proprietary rights or any other harm resulting from such user's submission or post.

6.2. User Content. When you post content on the Site, such as questions or comments in the customer discussions portion of the Site, or provide content to Archer, including without limitation via our social media pages and accounts such as Facebook, Twitter and LinkedIn, excluding any such content that is part of non-public, attorney-client communications made through our Service (e.g., uploading documents via our client portal), (collectively, “User Content”), it belongs to you; however, you grant permission to Archer to use that User Content in connection with our Site and Services. Accordingly, you grant Archer a non-exclusive, unrestricted, irrevocable, royalty-free, freely transferable, sublicensable, worldwide right and license to use, copy, record, distribute, reproduce, disclose, sell, re-sell, sublicense (through multiple levels), display, publicly perform, transmit, publish, broadcast, translate, make derivative works of, and otherwise use and exploit in any manner whatsoever, all or any portion of any User Content and derivative works thereof, for any purpose whatsoever in all formats, on or through any means or medium now known or hereafter developed, and with any technology or devices now known or hereafter developed, and to advertise, market, and promote the same, all without any obligation to you not required by applicable law, explicit terms of our Privacy Policy or applicable additional terms. As permitted by applicable law, and subject to any explicit terms of our Privacy Policy and applicable additional terms, you also irrevocably consent to our use and association of your name (and, if part of User Content, your likeness) in connection with your User Content, and derivatives thereof. As permitted by applicable law, you hereby waive, and you agree to waive, any moral rights (including attribution and integrity) that you may have in any User Content, even if it is altered or changed in a manner not agreeable to you. To the extent not waivable, you irrevocably agree not to exercise such rights (if any) in a manner that interferes with any exercise of the granted rights. Please be aware that posting User Content to publicly available portions of our Site will not be confidential or subject to the attorney-client privilege and such postings will be public-facing. Use caution in posting to public-facing portions of our Service. You represent and warrant that you have all the necessary rights to grant Archer the foregoing license for all User Content you submit in connection with the Site and will indemnify us for any breach of this representation and warranty.

These sites are not under the control of Archer, and you acknowledge that Archer, its affiliates, and its licensors are not responsible for the accuracy, legality, decency, copyright compliance, or any other content of, or gathered from, such sites. You also acknowledge that Archer, its subsidiaries, its affiliates, and its licensors shall not be responsible or liable, directly or indirectly, for any damage or loss caused or alleged to be caused by or in connection with use of or reliance on the content, goods or services available on or through any sites linked to the Site, or your transmission of information, including personal data, to third-parties through such other sites.
