Overview

Stephanie brings a broad depth of experience in paralegal support to the commercial litigation and labor and employment groups. She is a value-driven paralegal with experience successfully supporting and managing the caseloads of multiple attorneys. Her skills include adeptly navigating the management of client deadlines, communication among parties, witness scheduling, attending depositions and document filings in federal and state courts. Stephanie has participated in and assisted with many document reviews for the firm's clients. She is well-versed with all facets of trial preparation and has managed and created trial exhibits, trial notebooks, binders and more. Over the years Stephanie has attended numerous seminars and continuing education courses related to trial preparation and other pertinent commercial litigation and labor and employment issues. She is also adept and assisting with legal research utilizing Westlaw and other tools as needed. Stephanie takes a personal interest in all of the cases she works on.
